Invitation to all the Houses of Mercy to  
*Partake in the Hours of the Passion of Our Lord Jesus Christ*  
*Living Clocks*  
Our Mission: Saving Souls

*Words placed on my heart from Jesus*

(as always, ask the Holy Spirit for discernment by following church guidelines)

*“The Houses of Mercy are the foundation stones of your mansions in Heaven that I spoke about.*

*“In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you” John 14:2*

*“I have prepared a place for you in Heaven. It is in your acts in My Will in complete abandonment to Me that have built your foundation in Heaven, your treasure. Now, with the beginning of the recitation of My Hours I will continue with the mortar and brick to build the walls of your soul, smoothing out the rough spots with each continuing hour as our lives are joined in harmony and love to save every one of My children. Be open My children, be open to Me – your mansions are the windows to the soul, My Dwelling Place, My Abode, where the overflow of My Love pours out into the world. In you are the Lights that shine within your Houses of Mercy for all to see.”*

What is a House of Mercy? <https://www.warriorsofmary.com/housesofmercy>

Dear Brothers and Sisters,

The Holy Spirit comes to us today with many graces, countless graces for all who ask and are sincere to the reception of His many gifts. I pray that all of you receive a continuous stream of graces that fill you to the brim so the light from within the interior of your homes becomes a beacon of Love, Hope, and Joy for the world.

We also know that many do not know God, and live in “Houses of Darkness”, and not Houses of Mercy. How do we pray for so many who are lost? How do we pray to placate the Divine Justice? What is God’s Will for not only the souls of our loved ones, but also the souls of all generations? It is simple, so simple that it is unfathomable to think that something as praying and reciting the Hours of the Passion can alter chastisements, praise and glorify the Father, and save souls. Brothers and Sisters, there is nothing more important than praying the Hours of the Passion for our planet. Why? They are the prayers of God Himself manifested to Luisa Piccarreta, specifically for this generation. These powerful prayers were given to the Servant of God especially for this generation to save souls, to facilitate conversions, and ultimately to bring about the New Springtime of the Church. I will continue to give you reasons below why this is the most powerful form of prayer to be engaged in. Following the reasons I am going to invite every House of Mercy to consider signing up for one Hour in the 24 Hours to begin to build our Living Clock. This way we will not be individual Houses of Mercy, but a community, a village, joined together as one mighty house to give God the Glory that is due him: Instructions to follow.

As I was reading the 1:00 pm hour the Lord opened my heart to reflect on Divine Mercy and what is occurring in that hour as we are fused in His Passion at this particular point in time, to what was taking place with Jesus, and now you and I together with Him. He is allowing us to be the forbearers of this miracle alongside with Him, each time we recite this Hour. At the time that Jesus said to the Good Thief;

### “Today you will be with Me in Paradise”

Luisa says:

*“With this you make the first triumph of your love. But see that in your love, it is not only the heart of the thief you steal, but also **that of many of the dying**. Yes, you put your blood, your merits, and your love at their disposal.”.....Oh Jesus, I intend to make reparation for those who despair of the divine mercy at the time of death...”*

So here we have the first complete **eternal act of Divine Mercy** as we know it. We are saving a soul on the cross with Jesus. With Him, and In Him it becomes a *divine act* and not devotion. This act travels throughout all time forever and ever. It was not just the Good Thief, but all peoples forward and backward in time saved through His anticipated merits. This hour with the intention of letting God recite it through our heart, brings us back to this very hour of saving souls with Him...with His words, His sufferings, His merits we offer ourselves to the eternal Father to **save all souls** in the Hour we are reciting it. The prayer is now divine, eternal because it is the very same eternal Hour of Christ. He is waiting for us to ask Him to come into our beings and live the Hour with us. This is one example of how we are partakers and share in the common Priesthood of our Lord.

Below are other graces that are given to the person who recites the Hours with reverence. All information has been gathered throughout various entries in the thirty six volumes and other sources including the Doctoral thesis of Father Joseph Iannuzzi.

Other profound graces one receives when reciting:

- Angels of Jesus’ Passion listen, assist and reverently **recite with the soul** the Hours of the Passion. There are special angels that were entrusted to Jesus’ care. They hold a special office.

[We must be reverent and attentive because heavenly guests are joining us.]

- As the soul commiserates with Jesus' Passion, it grows with God's likeness
- The soul acquires the merits like Jesus **as if all were saved.**

Luisa: Tell me My Highest Good, what will you give souls to those who do the Hours of the Passion in the way you taught me?

*Jesus: "My daughter I will look at these hours, not as hours done by souls, **but as hours done by Me.** I will give them My same merits as if I were in the act of suffering My Passion, and the same effects of My Passion according to the souls disposition. I will do this while they are yet on earth; a greater reward I cannot give them. Then in heaven I will place these souls in front of Me, wounding them with My arrows of love and joy for as many times as they did the Hours of My Passion, and they will wound me. Volume 11, April 10, 1913*

- A soul receives a soul **for every word that is recited.** ( We do not know what grace each soul receives)
- New graces and blessings for souls
- Attains perfection
- Averts the Divine Justice
- Benefits all souls who enter Purgatory or Heaven. Luisa has also said there is not one soul in Purgatory that does not have the mark of the Hours of the Passion.
- Communicates to all souls the merits of Jesus' Passion
- **Changes chastisements into graces over the whole earth.**

*Jesus: My daughter through prayers and indulgences one gains something, but the Hours of the Passion which are My own prayers, reparations and complete love, came forth from the very depths of My heart. Have you perhaps forgotten how many times I have united myself with you to do them, and how I have changed chastisements to graces over the entire earth? My pleasure therefore is so great that instead of an indulgence, I give the soul a loving handful that contains incalculable riches of infinite value. Indeed when a soul does something out of pure love, My love finds its outpouring. It is no small matter for the creature to provide relief to its Creator and the occasion for his outpouring of love." Volume 11, Sept. 16, 1913*

- Diverts from the heart of Jesus the evils others thrust upon him.
- Enters into the internal acts of Jesus' humanity
- Establishes divine order throughout the universe

**"These Hours are the order of the universe; they put Heaven and earth in harmony, restrain Me from sending the world to ruin. I feel My blood, My wounds, My love and all that I did circulating and flowing throughout all to save all. As souls do these Hours of the Passion I feel My blood, My wounds, My anxieties to save souls ignited, and I feel My own life being repeated. How could souls obtain any benefit if not by means of these Hours? Why do you doubt? This is not your work but Mine. You are the tempered and weak instrument."**

- Is assisted by angels that assisted Jesus in His passion
- Offers reparations that extend and multiply themselves to infinity

*Jesus: "By fusing itself with Me, the soul repeats all that I do and continue to do. What will be the joy of these souls who lived their lives in Me – embracing with Me all souls, and offering reparation when they will be with Me in Heaven? They will continue their lives in Me. **And as souls on earth use their minds to offend Me with their thoughts, these souls in Heaven will impact their minds and continue to offer the reparations they made on earth.** They will be with Me the sentries of honor before the divine throne. And as souls on earth offend Me, they will offer divine acts contrary to these offenses in Heaven. They will*

*guard My throne, they will occupy the place of honor, and they will be the ones who comprehend Me the most and they will be the most glorious. Their glory will be completely fused in mine, and mine in theirs. Volume 12 March 18, 1917.*

- Overcomes all weaknesses
  - Reenacts what Jesus did on earth and what he does in the Most Blessed Sacrament
  - Restores to creation God's divine harmony

And finally, if the reasons above do not convince you to truly commit to the daily recitation of the Hours, know that Jesus has already placed you in the wound of His shoulder that shoulder that carried the cross if you commit to relieving Him in His Most Holy Will;

February 24, 1922, Volume 14 \*\*\*\*\*

*“.....So, when I felt the cross upon My shoulders, I felt the softness and sweetness of the cross of the souls who would suffer in My Will. Ah! My Heart heaved a sigh of relief, and the softness of the crosses of these souls made My cross adapt to My shoulders, sinking so much into it as to cause Me a deep wound; and although it gave Me a sharp pain, I also felt the softness and the sweetness of the **souls who would suffer in My Will. And since My Will is eternal, their sufferings, their reparations, their acts ran with each drop of My blood, in each wound, in each offense. My Will made them be as though present at the offenses of the past, from the moment the first man sinned, the present and the future offenses. They were the ones who returned the rights of My Will to Me, and for love of them I decreed Redemption.***

***And if others enter into it, it is because of these souls that they partake in it. There is no good I concede, either in Heaven or on earth, which is not because of them.”***

I don't know about you, but I want to be one of them!

I know some of you are familiar with and recite the Hours. A Living Clock will bring unity and a sense of “family” prayer to the Houses of Mercy and the Apostolate. It should be made clear that anyone's home can be a House of Mercy, whether you are one person or 110. It should be especially emphasized that UNITY is a key to break the power of evil, and all are encouraged to pray together, we are all one in His Most Holy Will. All Divine Mercy prayer groups, Saint Pio, Flame of Love, Charismatic, MMP, no one or group is excluded, and no one group is greater or lesser than the other. Let us all join together as ONE LIVING CLOCK!

If you do not have a book, you may download the Hours of the Passion from the website. My plan is to assign an hour to each of you **who write and requests me at [herfiat333@yahoo.com](mailto:herfiat333@yahoo.com)**. As the requests come in I will e-mail you back the Hour and a start date. Please start with the assigned hour, pray it for two weeks and move forward to the next hour. You do not have to do the Hour at the Hour of the day it is designated. In other words, do not get up at 2:00 am to do the hour if it is not possible to do them at the designated hour.

For those who may have problems with their eyesight, here is a link where you can **listen** to the Hour. It is free, and a wonderful website loaded with information.
