Our Ref.....your Ref.....Date 28-01-2011

Dear Aurora our sister in the Lord Jesus Christ, may God the Father, Our Agonizing Master and our Lady, Queen of this great Apostolate, be your source of strength and grace.

We have heard all that the devil is doing through the instrumentality of our dear sister in the lord in the person of Patricia Fason and her colleagues over there, in America. Their action of creating division and confusion has become a source of major concern to the Apostolate in Nigeria. We are not happy and comfortable with this ugly development.

That is why the national executive council of Nigeria, which is the head quarters of this Apostolate, wishes to state as follows in this matter:

- (1) That the National Executive council in conjunction with Bishop Ayo-Maria wishes to state that Barnabas is the chief and sole custodian of all the original manuscript pertaining to prayer Books, messages e.t.c. that belongs to the Apostolate.
- (2) That the precious Blood book published by QueenShip publishers remains the authentic one in America.
- (3) That the National executive council, Barnabas and Bishop Ayo-Maria are not in relationship with Patricia Fason who is causing division and confusion in the Apostolate.
- (4) That anybody that uses or publishes any other precious Blood Prayer Book that is not approved by the Nigeria Apostolate in conjunction with Barnabas is doing so at his/her own detriment.
- (5) That anyone who burns the precious Blood Book published by the Queen ship is satanic.
- (6) That Sis. Aurora is the only authentic, real and recognized Director in USA. Thus people should listen to her since she has our head quarter mandate and recognition.
- (7) Finally we recommend that devotees should support her in all her actions to make sure that this great Apostolate remains one and indivisible without any rancor, confusion or division in America and neighbouring countries.
- (8) Aurora, we hereby direct you to strait planning and organizing your members for the upcoming international conference in September 2011 here in Nigeria. People interested in the conference for reception of Rose of Perfect Purity should Register and shortlist their number through sis. Aurora, our American Director as the National Executive Council of Nigeria plans for their visa to Nigeria via our Nigerian Embassy. Thanks, wishing you and all our members over there in America, God's grace.

We equally state dearly and without mincing words that the messages given to Barnabas published in the Book should be left in its originality and not mixed with any other, that from Margaret Durbin inclusive, as contain in no xiii in the introductory page of Breeze of the second Pentecost. By this statement, the Apostolate is directing the Queenship publishers to remove every message of this sort from all their publications concerning the great Apostolate of the Precious Blood.

Precious Blood of Jesus Christ - Save us and the whole world.
