Director of the Precious Blood Apostolate
United States of America

Dear Aurora,

Reconfirmation As the Director of Precious Blood Apostolate

Greetings to you in the most Precious Blood of our Lord Jesus Christ. We are very pleased with your dedication and zeal for spreading the devotion to the Most Precious Blood of our Lord Jesus Christ in the United States of America and in the surrounding countries. It was through the blood Jesus shed that He cried out triumphantly on the Cross "it is finished." (Jn 19:30). Shedding blood physically for the salvation of souls has finished on the part of Christ but offering the blood for the salvation of many men and women continues with us. This is the essence of the devotion to the Most Precious Blood of Jesus in the Precious Blood Apostolate. I congratulate you for doing this with great zeal and affection.

I hereby reconfirm your position as the Director of the Precious Blood Apostolate in the United States of America. I congratulate you for the work well done and encourage you to work with greater zeal and devotion because there are more works to be done than the already accomplished work. Express my warmest regards to all the members of the Apostolate. I pray for peace and unity among all the devotees because it is in this way that we can prove that we understand the devotion and the shedding of the blood of Christ and his mission in the world (cf. Jn 11: 52; Eph 1: 10)

Yours sincerely in the Most Precious Blood and in Mama Maria

Most Rev. Ayo-Maria ATOYEBI, O. P
Spiritual Director
Bishop of Ilorin Diocese.
