

**DAUGHTER OF THE DIVINE WILL**  
**6/28/14 – 12/14/14 MESSAGES**

**12/14/14, Adoration Chapel**

My Dear Children,

I come to you today to ask you to look around you; what do you see? Chaos, confusion, and disorder in every sector of your world. Children, I do not come from far away to speak to you. I am in your midst, in the Most Holy Eucharist. I am completely present. My Divine Will is also present in all creation, for without my Divine Will, all creation would cease to exist. Soon I will not be with you. I will be banished from your earth. My Holy Eucharist in your churches will be taken away from you. You may ask "How can this happen?". I tell you it is because your world has turned against itself. The spiritual mysteries of the earth are buried under false philosophies, created by man and not of God. The whole earth is culminating into a demonic enterprise of witchcraft and sorcery hidden under the guise of "for the good of man" and The New World Order. I tell you solemnly, this will not last long as I have told you in My most Holy Scriptures, three and 1/2 years, as prophesied by Daniel. The Babylon spoken of in Revelation is none other than your very Earth, not only a region as was written in the Old Testament, for now the evil of Babylon has spread over your whole earth. For the lies of the evil one have been permitted to spread through the sins of My children.

But the light has not yet been extinguished! No! for out of the darkness comes My Plan. My Plan started in the Garden of Eden many years ago. The Woman clothed with the Majestic Sun, the Sun of My Most Holy Will, encapsulated with grace has come to save Babylon. Her land is America, the land of many peoples, given to Her by the Holy Father long before She was consecrated to the United States of America. For in the Father's Wisdom in eternity He established and decreed this plan to save Earth through the last discovered continent, America. Earth can be converted from Babylon to a new beginning, the Era of Peace. However, earth must be reborn through forgiveness, love, and following My heavenly laws through the will of each created being. My Mother comes to you as My Missionary for you America; you no longer need be "The Great Harlot." On bended knee seek My forgiveness, turn your face towards Me, and I will pour upon you such graces as never before seen in the history of the world. I speak now to all of you, the heart chosen by Me, the children of the **Red, White, and Blue of the United States. I am calling you right now to be united in me, in Faith and Love, and within your hearts I will place My Torch of Love to ignite the world.**

I Have Spoken  
God your Father

**11/29/14, Following Mass**

Dear child, please write My words. These words that come from My heart to yours.

There will come a day soon, when My church will cast Me, it's Savior, Spouse, and Founder out on to the street. These Judas' are conspiring this very moment under the spirit of the antichrist, the same spirit My beloved John wrote about. With their cunning words, their gentle appearance, and conniving ideas they will convince many of My children about these new propositions and liturgical changes, as well as the definition of "Faith", how all these things have now "evolved", they will say, into a new meaning and newer understanding. My Holy Eucharist will no longer be My True Body, Blood, Soul & Divinity, but a piece of bread for sharing. The time of the abomination as prophesied in the Book of Daniel will come to be soon. As I have told

you in past messages, history repeats itself. The Scriptures are My Book of Life. Children, I do not change. What I placed in the hearts of My inspired writers years ago has not changed. My words in Scripture are for all generations. My doctrines preserved in My church will outlive the chastisements and purification of My church, the Barc of Peter, for my teachings will be preserved and deposited in the hearts of those who do not sway and continue to carry their cross. These children will be My witnesses and carriers of My Word into the next generation. The purification is here, at your doorstep. Confess all you who are still asleep lest you fall into the hands of the evil one. I love you, all of My children. Hold fast to Scripture, and the Catechism of My church, for there lays the safety net of Peter, My Rock, My church. Trust Me children, My Church will endure forever, for She is My Bride.

***“For truly I say to you, until heaven and earth pass away, not the smallest letter or stroke shall pass from the Law until all is accomplished.”  
(Matthew 5:18)***

### **11/25/2014 Following Mass**

My little one, I am here within you, around you, and beneath you. I am everywhere and I hold you up protecting my little shepherdess as not to harm herself, for I am the most loving and tender of Fathers. Please write these words for all My children to read, and let us pray together before we proceed:

***“Most Divine Trinity, three in One, we love you, bless you, and adore you. We give praise to you for each and every moment of our existence. We honor all your saints and angels. We thank you profoundly for the gift of Our Holy Queen and Mother. I come in the name of all your children from all generations, in your Most Holy and Divine Will. Amen.”***

By the power of My Divine Will all My acts of humanity are deposited in you with each act you do fuses in Me, I continue to reign in you after the “accidents”, the “species”, of My Most Holy Body and Blood have been consumed. It is My very own life that continues in you by virtue of My Divine Will. How does this occur you may ask? This will only be understood more clearly in heaven; it is for you to understand that if you have the desire to have this gift, to live in a constant state of grace, then I by My own action will come to you with My Father and the Holy Spirit to give you this new life in Me. And together we will grow, you and I doing all things together as one. This gift My children, came through My Daughter Luisa Piccarreta. It was through her that the door to this gift opened so all had the possibility of receiving it. It is here now, for all of you, not for a select few, not for the wise, or those who consider themselves spiritually mature. For this gift does not require prior knowledge, or pious practices, but a simplicity, and docility to abandon yourselves completely in My arms, like a small child who is being rocked by its mother or father. Come into My arms children, fall asleep in Me, Rise in Me, Pray in Me, Play with Me as I did with your ancestral Father Adam. We will delight in each other and grow in holiness; I will guide your heart. But do you know with whom else you will abandon yourself to? The Immaculate One, the One who is the purest of the pure, who never looked upon herself once, but always had her gaze set upon Her Father. She was always fixed on Me, and from the moment of Her conception promised to save the lost children of Eve, with Me Her Savior. It is the Immaculate Heart of Mary, First Daughter of the Father, Mother of the Son, and Spouse of the Holy Spirit who will ignite the torch and lead Her children. She carries My Sacred Heart within Her. She was born first of God, and then, God, was born of Her in the flesh to redeem you. This was the first step in bringing forth the Kingdom, the dormant Kingdom of the

Divine Will. Two Thousand years have passed, and I am anxious for My children to live in Me in a more complete way, as was destined and willed by Us from the beginning.

***“I say to you, ask, and you shall receive, knock and the door shall be opened to you.”***

The door to My Holy Will is now open for you, waiting children. Do you know how many of My saints waited and longed for this Era, so they could receive this gift of Me on earth? Many of My saints that received the Mystical Union of Marriage with Me on earth saw this door, could see what was beyond, but could not enter. They wait for you My children, with glee and joy at one soul saying yes to begin the spiritual journey with Me. The utter joy of My saints can not be explained as to what they saw. This is the gift that each of My children would have received if not for Original sin. Through My Mother I came the first time on this earth, and through Her Immaculate Heart I will come to reign on this earth. Trust in Her Immaculate Heart, for She possesses Me by the Divine Indwelling of the Most Holy Trinity, the Flame of Love.

The Blessed Mother: My dear children, come to me, and I will slowly teach you the ways of the Divine Will, this way of life, this way of heaven, yes, you will still have sufferings, for this you will always have on earth, but the suffering will be Divine, because it is the Most Holy Trinity who will live in you, it will be a True Life in God. Come My children, for with this life in you, the devil will fear you, and with My little Cohort of children, evil will be crushed. Remember the words of My Son,

***“Seek ye First the Kingdom, and all else will be given to you.”***

The Two Hearts

### **11/23/14, Following Mass**

My Dear one,

The time will come upon all of you soon when all will see themselves frozen in a moment between time and eternity in a dimension still unknown by your doctors of science. The time warp created at My command by My angels will put all people face to face with their conscience. This "illumination" of conscience is the Light of My Holy Spirit surrounding your very physical being, your physical proximity at that time, and My fire of love surrounding your soul. You will see the empty spaces within your soul, the voids and corruption which your sins have caused, and cast out upon the world. For sins do not only affect you My children, but have a causal effect upon the whole universe. Picture a pebble thrown into a lake that is still at the break of dawn, the reverberation of the stone causes ripples across the surface, and the ripples become larger and larger as they expand. Such is the effect of sin in the universe when a sin is committed. The smallest sin is an offence to Me and to your dignity as a child of the Divine Author of Life. You will see how you have hurt Me, and how you have hurt others. The depth of the moral depravity of your sins is beyond repair by any human means. I say again to all those who cry out to Me with remorse, sincerity of heart on bended knee, and ask for forgiveness;

"Lift up your heads Oh, children of My Redemption! For your hour has come!

As snowflakes fall from the heavens as a symbol of purity, so do I fall upon you. My Holy Spirit will cleanse you with Fire. My Holy Breadth will dry you, and My Most Holy Mother will dress you with My Light.

However, I say to you, do not put off your repentance. You do not know the hour or season on which I may call you into My presence to give Me an account of your life on earth. Every moment I give you is a gift to glorify God, your Father.

How I suffer, My Most Holy Spouse suffers; Her wounds are laid bare, open, begging for healing by the love of Her children. Peter! Petrus, upon this Rock I shall build My church. She shall not be left wounded, and you My Peter will lead Her to the healing waters, the water of everlasting life. It is through Peter on which My house was built, and it is on Peter where She will be renewed. And around Her She will be surrounded by many, many lights to fortify her, to illuminate Her, and give Her everlasting life. Who and what are these lights? They are My temples; in each of My temples is the Flame of My Love, My Life, My True life within each soul. Each soul is a dwelling place for Me, a New Kingdom where I will dwell, and all the kingdoms will surround the Heavenly Jerusalem on earth, led by the barc of Peter, Petrus.

“Upon this Rock, I shall build My church, and the gates of Hell shall NOT prevail against Her.”

Jesus, Your Everlasting King.

### **Apocalyptic Message 11/11/2014, After Mass**

It is I Jesus, I am here present within you in time and in eternity.

Oh wicked world! What have you succumbed to? Have I not sent to you prophet after prophet as in the days of old? This present generation is beyond recognition to My eyes, I do not see it, and have cast you far from My sight. I do not recognize you as My own. You have willingly taken the hand of satan My adversary and are allowing him to take you over the cliff of no return. Soon the Ides of March will come over the 7 hills of Rome to perpetrate and ransack My church. Must I remind you of a similar occurrence of which I spoke of prior to my death? Due to the obstinacy of My own people to recognize Me as their Savior and their true Messiah I allowed the destruction of the temple and the shedding of blood of My people in the land of My native birth. Thus, also this generation, along with My church will be purified the same way by the enemies you trust with your soul, those with whom you give reverence and homage to in My place will destroy the very walls of where you worship.

Oh My children what will it take for you to cast a glance towards the heavens and seek the truth? You have allowed yourselves to be blinded and bridled like a horse, walking like cadavers in the darkness restrained from hearing My Holy Spirit within you. Yes, soon, very soon you will ask "Why is this happening?", and fear will overtake you.

History is said to repeat itself My children because evil does not change, the devil is the same spirit in all generations, with all his cunning ways. As I prophesied to My apostles prior to My death that these things would occur, (the destruction of the temple and the slaughter of Jerusalem) and that they would look back upon My words, know that I AM THE TRUE SON OF GOD, and so do I tell you to mark My words: **The destruction to take place soon in your world of all My holy places of worship will occur soon.**

Read My Gospels  
Ask for the Holy Spirit to guide you  
And your eyes will open from your sleep

Prepare your hearts! For from the destruction and ashes will arise a rebirth a New church of my Heart, a New Era of Peace as prophesied by My prophets and saints. whom many of you have scorned. My Divine Will, will come and Reign on this Earth as it does in Heaven through the Heart of My Mother, beside My Sacred Heart, Oh earth, whether you are ready or not at the appointed time as promised by My Father. Be attentive children.

What I Will Shall , Be done  
Jesus of Nazareth, Your King

### **11/6/14, Following Mass**

My little lamb, it is I Jesus, here within you. I wish to speak to you today about the love I have for all My children. My love is a Holy Love, pure, immaculate, without blemish; symbolic was the Paschal Lamb of offering at My Last Supper of My Love. My love is eternal and never changes children no matter what your life status is in human terms. No matter what you have done, I AM THE ETERNAL ONE, THE PERFECT AND ONE TRUE GOD who loves you unconditionally, infinitely, sincerely, and forever, because I CAN, because I AM GOD. My arms await you and are wide open, My gaze is constantly upon you.

Your Good Shepherd awaits to lead you through the Gate of Mercy, the Gate of Truth, the Gate of Repentance that will lead you to true joy and happiness. Do not be afraid My little sheep. I call you by name....you were all created in My image and likeness. You are Mine. But I cannot force you to come to Me, you must WILL it. You must say "Yes" to me. All I need is a crack of light from your soul, so that I can enter. Then the door, the Floodgates of My Mercy will burst open and inundate you with Love. Come Follow Me!

Jesus of Mercy  
Your True Shepherd

### **10/31/2014 Adoration Chapel, Blessed Mother speaks**

Dear child,

There are many things occurring in the world my children are not aware of, they are kept secret, because in secrecy is how evil works. There is an intelligence far greater than human intelligence that is besieging the world at an incredible rate. The intelligence was the most intelligent and glorious being created by God. Suddenly he was struck with envy at the thought of the Word becoming flesh. He rebelled against God and rose up in an effort to take the throne of God. It was then, that the littlest of all angels rose up and exclaimed "Who is like unto God?" The "littlest" of all angels name is Michael, Prince of all the legions of God's court. Michael means, "Who is like unto God?"

It was, and is his littleness, courage, and humility that made him rise up to the most powerful angel created by God named Lucifer, which means "Bearer of light". Michael filled with the will and love of God, with his cohort of angels from every choir drove Lucifer and the rest of the corrupted followers out of heaven.

Do you see my child what littleness and humility can do? God can perform wonders and miracles in a soul who remains "little", and drawing the soul closer to Him make it rise up to the most sublime planes of holiness when filled with the will of God. I, your Mother was the littlest of

all creatures on earth. My littleness gave Me the graces to say "Yes" when the great Archangel Gabriel came with his greeting and message. I was greatly surprised when he bowed before me in an act of humility, It is this "littleness" that attracts My Son to your soul, and will allow Me to give you the graces needed to rise up and say with all the angels and saints "Who is like unto God? Humility is needed to fight evil, without humility evil will continue to have the upper hand. ' Be little all My little cohorts of angels on earth, all My sons and Daughters of the Lamb, be little and call upon your angels for your assistance, For I am counting on all of you, my children to fight in the great battle with your Mother.

Your Heavenly Mother  
Queen of angels

Saint Michael speaks: Be not afraid! I am Michael the heavenly Prince of all the cohorts of angels. I am here to protect you and all who ask for my protection and intercession. all praise and honor to God, now and forever.

### **10/29/2014, Following Mass**

My Little Shepherdess,

My dear one, I live in you, in My Divine Will. Picture a Shopkeeper in his shop, and in the same way you could say that "I have set up shop" in you. How? With your Fiat to My Mother, With your Fiat every day to me in all your acts. With your Fiat you have answered My Mother's call, and now this is My Promise to you and all that answer the same call to live in My Will. I will give you Heaven on Earth in answer to the prayer recited to My Father 2000 years ago. This is how it is done. Desire Me and say Yes.

To operate in you with My Divine Will; can be compared to a manager doing business in his shop. He performs many daily activities, and these activities are the wheels, the engine and the very life of the business he owns. From it comes a steady stream of activity which produces revenue for him and his family. The products that are generated from the business are accepted by its customers and the customers then pay the shopkeeper. Everyone is happy. The Shopkeeper has received a return on his investment.

Child, I am the Shopkeeper of your soul, of your very being. You are the building and the customers are the souls that will come to know Me through My activity in you. The "activities", are the graces that flow from Me to you, to My children and the world. Everyone is "touched" in some way by the activities and "work" of the Shopkeeper in his building. There is always light and life from his little shop.

Know this, that for every sigh, whimper, prayer, movement that you perform in Me, and for Me in My Most Holy Will, a divine grace, a divine life pours forth from you into the world and continues into eternity.

This is a story, an example of what the effects are of one who lives in My most Holy Will. It is My promise for all who desire to know Me more intimately on this earth. I desire My children read this special teaching from Me. Listen to your hearts, My Mother is very near to it.

I love you,  
Jesus the Builder of your soul

**After receiving Communion and after prayer during Communion, October 17,2014**

" I wait intently to hear your prayers and those of all My children during these precious moments I am together with them. With gratitude I accept all the prayers of reparation for all others who do not receive Me with the proper disposition, who ignore Me, and who offend Me by their speech, manner of dress, but most of all their ingratitude due to their ignorance and lack of faith."

By allowing Me to receive Myself in you, I can do as I will, and continue the reparations I made in placing Myself in each host for all time at the Institution of the Eucharist on Holy Thursday. In your country you have a saying to "Pay it Forward". This gives me great delight when My children take a gift and give it to others, sharing it in a selfless manner. Allowing Me to act in you always, is a sign of your resignation in Me, a sign of abandonment to my Most Holy Will. What occurs in the Eucharist in your soul will continue throughout the day, as the acts of abandonment you give Me are like spiritual nourishment to your soul. Know that this great gift of what I give you flows to others around you, because it is "I" that is at work, and not you. This gift is for all. You can thank Me child by "Paying this message Forward" to others.

Your Jesus, always present in the Eucharist †††

**9/20/2014 During Adoration**

**Blessed Mother:** Please write after you hear the words my child, Our Heavenly Father wishes to speak to you.

My daughter tell my children of my overwhelming love for them. A love they can not begin to comprehend unless they enter the heart of My Son, Jesus. Daughter I have been waiting 6,000 years to take My rightful place amongst this generation. This generation that scorns the Name of My Son. The great I AM, the I AM of all generations will grant one last act of mercy. This last act of mercy will give the earth the opportunity to repent of it's sins. I am a Father of Mercy to all My children that call out My name - "Father Save Me. Help me, Father show me", and I run to you, I will cast My great arm towards you and pull you out of the mud and filth and cover you with a resplendent light and the Blood of My Son to purify you. But you must call out to Me. My eyes gaze upon the earth constantly, listening and looking for your call. Soon it will be difficult for you to find priests and pastors that carry the name of My Son. There will be just you and Me. And in those few moments of just you and Me, you will make a decision...

Life or Death  
Light or Darkness

Many of you are deceived by worldly entertainment, careers, and comforts. They will be no more for most of you. You will see all this collapse around you soon. This is allowed by ME to help you see where the truth lies in your hearts. The Illumination of Conscience comes directly from Me, your Father. Many doctors of Science will say it is the result of a "cosmic occurrence", a strange anomaly as the result of gravitational forces causing ones senses to be disrupted and out of balance. Other self proclaimed Messiah's will come forth at this time and will also claim it is a sign of a new beginning and will self prophecy that a New World , a New Age is to come. This New Age will claim total acceptance of all sins that My church that was established by My Son has condemned from the beginning. O. My children be aware that many of the **deceptions** that are present now will come to **LIFE** after the illumination of conscience. Pray for those who

do not know Me, beg Me for their souls. YES, ask ME to stop time so that these souls say "YES" and ask Me to forgive their sins before their souls leave their body. **Please pray:**

**"Father we love you, Father we adore you, Have mercy Father on all souls that do not know you, that refuse you.**

**Hold them fast in your Light and Your gaze at this moment between time and eternity.  
Grant them more time to say, Father Forgive me."**

That is enough for now My daughter. Pray, Pray, Pray. †††  
Your Loving Father

### **At Adoration Chapel - Feast of Exultation of the Cross 9/14/2014**

My child, thank you for your prayers. I am always pleased with prayers from My children. Please know my child that the world is in dire straits. There is much to say, there are many things My little children are not aware of. Your country is plotting a third World War. My children are becoming more aware of this as I speak. None of My children should relent to the pressures that will be enforced by your government. All of My children must take up their cross now and be the visionaries and the disciples of My Jesus the true King and Ruler of the Universe. Each one of you children has a special mission. Each one of you were given a special cross at birth. This cross is your salvation, it is your very life. My Son will manifest to each one of you what your mission of the cross is. You must learn to listen children, you must learn to silence your hearts so that words from My son will flow from His Most Sacred Heart to your heart. Let My Son dissipate the clouds that surround you, the noise of the world that squeezes life from your soul. Only in silence and simplicity of heart My dear little ones will you hear My Son's voice. His very Spirit flowing through yours. Only in silence can the whispers be identified and articulated amongst the sounds and clamor of the world. Rejoice My children, Rejoice for by His Holy Cross you have been saved. And now My dear ones, it is time for all of you to take up your crosses and follow the road My Son has set forth for each and every one of you. Each on his own path, but all paths leading to the one true path, the path to Christ Jesus Savior of the World.

Your Heavenly Mother  
Mary of Nazareth of Jewish birth

Please remember children, today especially pray for the land of the TRUE CROSS where all My Christian children are suffering immensely and carrying their crosses for you.

### **8/31/14 Adoration**

As I was praying the Rosary and loving Jesus in the Most Holy Sacrament on the altar, I saw a red heart, ( like you would see one drawn a valentine day card), beating within the Host. Then the "heart" multiplied and encircled the monstrance. Jesus said. "Write Daughter what you see." I continued praying and Jesus said

"My Joan of Arc had My Heart beating within her. She was burned at the stake, nothing remained of her except her heart which remained beating in the ash."

Child will you allow Me to place My Heart in you?"

I: "Why me Jesus, you have so many souls that have sacrificed so much for you"

"I can choose whom I please, so do you not want My Heart ?"

I: Yes Jesus..

This is a great grace child, not only for you, but a grace which I wish to give all of My children, it is a great gift. It is My desire and My great gift that that My Heart be allowed to beat in all of My children. Do you not pray daily " Come Divine Will to beat in my heart, to flow in my blood... ?"

I: Yes, Jesus

Jesus: Am I not a God who answers prayers?

I: Yes, Jesus

Then child it is done. I am perfect and do not contradict myself. These words were first given to Luisa. She opened the Door for all My children to ask Me for these great graces.

Thank you My Lord and My God. Thank you Luisa.

### **8/28/2014 After Mass**

The Lord asked me to write.

Dear child of my heart,

Your Jesus wishes to speak to you of My Most Holy and Divine Will. The gift of My Divine Will is for all, not a select few. Soon in the future many will be coming to you inquiring about this gift. Be prepared child for this great task. I will supply the means for you to do so. The Gift of My Will has supremacy over all My charisms, gifts, and devotions, for it is LIFE. My Will shall conquer all evil in the world, stop all chastisements and renew within souls all graces that Adam would have possessed if he had not turned from me and followed his own will. My Will is everything. My Will is your mission. All focus must be placed on this mission of love. Be attentive my child to My words. My Will is your will. My will, will operate and be in a every person at My desired hour. Many however, are not ready to receive this gift. They are still asleep and have not asked My Holy Spirit to wake them from their slumber and open the eyes of their soul. My Divine Will will only be given to those that truly desire Her. Oh! To live in My Will, these children are My smile on earth. They are the jewels in My Mother's crown. They are the recompense for all who do not desire to love Us. You child, be Faithful and Attentive to My Will within you. I love you all, My children.

Jesus

### **Jesus asked this message be given to the Daughters of the Lamb, August 24, 2014**

At the consecration of the Mass I fused myself again into the Divine Will. I placed myself into the Body & Blood of Jesus with Him to the Father. Then came the following prayer:

"Oh Father fused in your most holy Son I offer myself with Him, His blood flowing in mine, His flesh and my flesh fused as one in His for the salvation of souls. Do not look at me, but look at

your Son in me. Within your Son are all souls , and I with Him make reparation for all souls that offend you grievously. Have mercy on them Father and forgive them, for some are ignorant and do not know you and some are possessed by evil not having the light to see. Heavenly Father allow the gaze of your Son, from His most holy eyes to cast a beam of light upon them at this moment and free them from their darkness. Lift the fog that surrounds them so they may see the light of your most Precious Son.

Heavenly Father now your Son and I are one. I have received Him from the hands of your priest son. With His Blood, with His Reparations, with His voice I cry out to you HAVE MERCY OH FATHER ON ALL. Let His Most precious blood cover all so you will see Your Son in all people, and I in Him and in each of Your children. Have Mercy on all Father, by virtue of your Son in me. I consecrate and offer myself, my will, my all to you Father in reparation for all sins committed in all generations with your Son ."

Jesus made me understand and desires that reparation be made for all people, those in Purgatory, those who are not in a state of grace, and those still in His heart not yet conceived. Fused in His Most Holy Will it is His breath, His Heart, His Body, His Words that placate the Father, His very own prayer that ascends to the Father, and there is nothing more powerful on earth than the humanity of Jesus Himself praying in us with his very own will, especially with the Eucharist within us which not only feeds our souls but all souls of every generation past, present, and future, the same act(ion) that Jesus did on the cross continues in us, just like the Mass is one act, the same act, the same sacrifice.

Jesus says, "I want all of My children to begin praying this way. My very own Heart, My prayers to My Father, as dictated to My Luisa, My Little Daughter in the Divine Will. My daughter will assist all who ask her. Be obedient to My requests children and many more souls will be saved. Pray as I did from the cross. My cross served as My bed from the moment of conception and from this bed I pleaded constantly for all of you. Now My children I not only ask you to take up the cross, but to lie on it as I did, in total abandonment to the Will of the Father. Do not fear, do not be afraid, for I know the strength of each one of you. My servant Luisa was like you, born to serve Me as each one of you were created to serve and glorify Me. She abandoned herself to me and I guided her, taught her. She gave her life for Me, and for you, so that the Kingdom deposited in her, could be also given to you. That is the gift of My Most Holy Will operating in you. I do not force My gifts on anyone. You must come forward to me and express the desire to come to know and desire My Holy Will. I will do the rest, trust Me children.

### **August 22, 2014, After prayer**

Following words from Jesus after a personal message I saw an image of the Statue of Liberty in New York Harbor with her torch burning brightly.

My Daughter, this manifestation that you see is what was once the hope for America. The hope and exhilaration of the people I sent to America as they entered the harbor after a long journey. America what have you become? To whom do you belong? Are you still My child? You have left me, My daughter America, you have left me and trampled me underfoot like a stalk of corn. The Lady of America was an icon of Hope for many who passed her by. Many of My children, filled with hope at the prospect of new beginning, free from poverty, starvation and hopeless lives came here by the droves in great hopes to utilize the gifts that I had given them to build the infrastructure of your land. It was by My grace alone that they arrived in America. And now the Lady's torch no longer burns bright....her flame is diminishing. She sheds tears, as I do because

I have been set aside - buried under the rubble. My Heart is torn children and cries for your return. Return to me and I will clothe you once again with Robes of Royalty, and place jewels on your fingers, and diadems on your heads. The torch of the Lady still has a flame My children. Do not allow the flame to extinguish. The tears of My Mother are copious and constant My children because the utter destruction of your country, everything it stood for, as represented by the Lady in the harbor represents the destruction of your souls. Your country is being destroyed due to the loss of grace in souls causing a dark cloud to cover America. If you do not turn to Me My children you will see darkness as the likes you have never seen before, and it will not only affect America but her errors and darkness will continue to effect the rest of the world. Return to your Father, who awaits you with loving arms, I will adorn you with my graces of love, and then and only then will true liberty reign in your country. Only with Me can victory be yours. My children of America, in particular My children of the Red, White & Blue.

## I LOVE YOU

Have you no compassion or love for Me, or thought of Me? I come to you as a beggar, awaiting a simple thought of Me, an invitation, so My light may penetrate the darkness you are living in and fill it instead with a particle of My love. Children of My Heart, I have descended from heaven to call each of you by name to return to me, now, before it is too late. Do not wait, do not put off until "you have time", because tomorrow may not come for you. Children of America, yours was and still can be the ship of life that saves the world. My Mother is your answer. She was from the beginning of time, destined to be the one to save the world from utter destruction by evil. I do not change. What I have decreed does not change. Call My name and She will answer and take you by the hand to Me. She has been given all graces for the mission of saving My children. Children of America, Wake up for Lady Liberty will be destroyed, not by My hand, but by yours. I call you all by name and bless you.

Your Father

### **August 14, 2014, afternoon, Received after meditation and prayer**

My Dear Child of My Will,

Your world is on a precipice, it can no longer turn left or right, but is cascading headlong into a furrow. Much more prayer is needed; so many more souls can be saved before the calamities of the earth are set into motion. Earlier this week My Mother asked you to tell (...name), what the Spirit of Mejedgorje is. This spirit is carried by many hearts throughout the world. It is My Mother's heart placed within each of her children. Some hearts need to be rekindled, illuminated, and set afire again. It is Her very Flame of Love which is placed in all hearts that visit or profess a devotion to Marian apparitions. It is the flame of the Holy Spirit, the same flame the Queen of the Universe called down from heaven in the Upper Room on that first Pentecost and placed each flame above the heads of My Apostles. Yes, and from this point forward She became and still is Mediatrix of All My Graces. It is Her heart that will inflame the world. The Mediatrix of all graces is preparing Her army. Like My Joan of Arc, My little prophetess and warrior who you know. My Mother's army will be led with Her banner in the fore-front with Her insignia which will be given to you at a later time. There is a saying on earth, "History repeats itself". Look at My Joan, and look at My beloved daughter France. In it's history you will see the coming prediction and prophecy for your country. For your country, the USA is not invincible; the USA has abandoned Me as its Savior like My daughter France did causing the execution of many religious. However, the USA is the Beloved of My Mother. She continuously hopes, prays, and intercedes for the country consecrated to Her Immaculate Conception. Child of My Heart,

tell all My Children, that doomsday only comes from a lack of Hope. My Mother is the Anchor of Hope for your country. From Her Immaculate Conception, comes forth all truths of all heaven, imparted to, and conceded to, deposited into a creature by the Holy Trinity. Her Flame of Love is given to and imparted to all who ask. The Holy Spirit is not only present, but alive within Her from the very moment of Her conception, thus giving Her the authority to call Herself the title "Co-redemtrix, Co- redeemer, and Mediatrix of all graces." Through Her will the world be redeemed, saved, and prepared for My Second Coming. This Second coming promulgates My Era of Peace where I will dwell in the hearts of all who have prepared themselves by allowing My Mother to place the Flame of Love, Holy Love and all graces given by Her from all apparitions and devotions. My children must be ready soon, to carry Her banner, to stand up as My Joan did and lead My other sleeping children to victory over evil. Be alert and at attention at all times My children. I am with you now and forever, and I am the creator of forever. For I love you immensely, you are mine, let us Be One.

### **July 26th, after Mass**

My child,

How much I desire to speak to you and all of My children. Know My child that the words you hear from your heart are from My heart, and the desire of My heart is that all My children listen to Me. For this gift is for all My children. Yes, I do speak to those not in a state of grace. It is especially for them that these words be spoken

You know precisely who you are, for you cannot hide the agony of what you feel in your soul when I open a door of light, which speaks to you and tells you:

**This is the door to freedom  
This is the door to eternal life  
This is the door to truth**

Walk through the door to this light. Now, do not delay. I tell you solemnly "I will continue My quest to call you into My light of truth. Allow Me to destroy within you the columns of lies that line the path of your soul; Columns of lies built by Satan, over the years through false teachings and philosophies that have taken root in the world. These columns will come down, swiftly. I will with a breath, one breath obliterate these false truths as quickly as My breath brought forth life into you. I will send My angels of destruction to annihilate everything that is not of me, So children far from Me, look around you, then look within you. What lies outside of you in your world have you swallowed? I tell you, vomit these lies, for when I destroy the lies; they will also be destroyed within you. I ask you . . .

What will be left within you when all is destroyed?  
Your cities will be desolate. Your cities will be worse off than Nineveh.  
Alone with Me to face, will I be your friend or Judge?  
(Jesus is also referring to the city within us)

I said "Where your treasure is, there your heart shall be." Are your treasures ones that can be destroyed?

MY treasures, MY graces are destroyed only by sin. But can be regained through My forgiveness and Mercy.

MY treasures are now and forever. MY treasures, MY greatest treasures are stored in the heart of the Immaculata. For She is the Fathers greatest treasure to mankind for their salvation. Salvation comes through My cross of Mercy. My treasures, for you my children, were all placed within Her in a mystical way. It was beloved John of My Sacred Heart that also knew this mystery. I ask you all My children, like My beloved John, put your ear to My Heart and listen. I am Love. From My cross of Mercy flow My treasures of heaven.

The Queen of Heaven:

My children far from Me, I will continue My mission to be constantly following you, calling you. I will continue to allow you to experience the disappointments, confusion, and frustrations of life to open your eyes to follow the true path of peace:

### JESUS TRUE SON OF GOD

Be not afraid. I am your mother, and I will hold your hand all the way to heaven. I am closer than a breath for all my children. Choose children to sit in silence and listen. Listen to your thoughts, then listen to My Son's voice, the voice that will lead you to eternity.

The Mother of all Graces

Child of My Divine Will write by My hand, be My Heart.

Know that each living thing has a soul, the soul contains my divine life within it. It's uniqueness is created and given by Me. The soul contains a divine quality, distinct, it has My fingerprint upon it. Try looking at your own fingerprint, how is it that no two sets of fingerprints are alike? Nowhere in the universe will you find a duplication of any living thing, man or animal or plant. Each living thing is distinct. It is because I am the Creator of all life on this earth, and continue creating because I am a God of Life. I created you, for Me, and created a kingdom within you where I desire to reside, if you allow Me. I said " In heaven My Father has many mansions." Each one of these mansions in heaven also has my divine fingerprint on it for each and every one of my children, no one is excluded.

If a soul responds to the graces given by Mary Most Holy, you will be drawn to Me upon your death and reside in My heaven within Me in your mansion. Correspond to the graces the inspirations, the Lights I set before you which lead to your mansion within Me.

Children of My Heart, these lights I place before you on your path will be easy for you to recognize if you join yourself to Me in prayer. You will see a light in your soul, a doorway, a freedom, a quickening in your spirit. Do not doubt, for it is to your heart I speak. Seek My voice and My Holy Spirit, do not fear, follow My Voice within you, a gentle voice that calls you from within, a warmth and a peace that is unknown until you find Me.

All of My children have My fingerprint on their souls received from the sacrament of Baptism. Your physical attributes, your physical fingerprints were given by Me upon your conception in your mother's womb. Each of you has a great mission in my eyes. When you observe the fingerprints on your hand children, think of ME, your mission and be reminded of the fingerprint placed on your soul by Me upon your baptism. I am your life, I am your Savior, Come follow Me to the Kingdom of light.

**July 14, 2014, 7:00 am At Home**

My child Mercy is the Cross. My Mercy was shown to the world when My Blood and Water gushed forth from the cross from the piercing of the centurions lance into My Heart. I allowed this to be recorded in the Gospel so all could see the physical and spiritual significance in the future generations. This fountain of Mercy that gushes forth also gushes forth anew at the Holy Mass. The fountain of My Mercy gushes forth anew at the consecration as it did on the cross. Take note child: "This fountain of Mercy gushes forth in each and every one of you, my children, when you receive Me in the Eucharist if the soul is in a state of grace and therefore disposed to receive my graces. The Eucharist feeds the fountain of life, (I understand this to be the waters of Baptism)within the soul."

Picture for yourself a stream of life from My heart through the cross, to the Eucharist from the consecrated hands of My priest son.

Mercy comes from the Cross

My Cross and Mercy are one.

The beauty of My Heart from which flows Mercy is in each and every consecrated host. My Heart of Mercy is given to you without reserve. It is free.

My Heart is Mercy

My Cross and Mercy are One.

Come to My cross, Come to My Fount of Mercy and I will give you My everlasting streams of living water. This is My promise. This is your Jesus, I love you forever.

**Writers note following visit to National Shrine of Divine Mercy in Stockbridge Mass on 7/16th:**

I could not describe properly or with words what the Lord was conveying to my heart. I was overwhelmed with tears. Jesus gave me an image of a cross, with a beating heart in the middle, with the Lance transfixing His heart to the cross. It is a cross of inexpressible love.

The waters from Baptism emerge with the blood and water, soul and divinity from the Eucharist. A miraculous explosion of light and grace occurs within the baptized soul in grace. These waters(graces) set the path and continue into streams of light and open the doors to receive the dormant graces of the Divine Will. The Lord just told me that it is very important for us to understand how the sacraments work with each other and all come from the same source, His Most Holy and Divine Will. I hope this weak person explained this without causing people more confusion

**Adoration Chapel, 7/14/14, 9:45 am**

My little child how happy I am to see you here before Me. I have an overwhelming desire to tell you and all My children of the overwhelming love I have for them and the desires of My Most Sacred Heart. My desires children, are the fruit of My Mercy, My Mercy is the fruit of My Love, My Love is the fruit of My Most Holy and Divine Will. From within My Sacred Heart are many fountains. There is a fountain of love for each one of you children, for everything I have created in the Universe. My Father put them there. The Holy Trinity agreed in unison that all of these fountains be put within My Sacred Heart from all eternity. Upon their baptism each one of my children is given a fountain, My fountain is placed within them from My Sacred Heart, the fountain that has been generated from all eternity through the love of the Trinity. Oh children, do you not see how we are one? I am your destiny, I am your life. Come within me and drink of this fountain, this fountain will continue to grow within you. It will flow within you, the waters of My

Divine Life, the waters of My Divine Will. These waters spoken of in the Gospel of John to the Samaritan woman is the water of divine life, the water of Baptism is the fount, the beginning of life within me - It will flow into the River of the Divine Will where all are one in me with My Saints in heaven. It is a perpetual life of sanctity. Children this is true liberty, it is not sanctimonious piety. A life where you and I flow as one. Listen....to the waters flowing within you...the whisper of my voice, the utter yearnings of My Heart that bubbles over with those waters at the very thought of you. Listen...what am I calling you to do? Be one with My children, release the living waters within you through the power of My Divine Will. Come to me and ask me for this gift, the true fount of holiness, the Fount of My Divine Will. It is yours....

Your Loving Jesus.

### **Received 7/6/2014 in Adoration**

Since before the dawn of ages, children of mine, I have called you. You have always been and always will be My children. You see, you were first born of heaven, within Me, before you were conceived in the womb of your earthly mother. Oh children, I cry and weep because so many of you do not even know this, that you are born of Me, there is not a thought of me, and I am totally disregarded in every conceivable way. Time has not forgotten you, for I your God do not live in time. Time was created for you. Your time on earth will end some day. And for those who do not think of Me now, how will you think of me then? You will know Me then, and as you have lived, so will you be judged. If you do reject me, you will have great remorse and fear. And how much it pains me to see and feel this remorse and pain in My children. I felt all the pains of those who rejected Me on the cross, the very pains of Hell. Children, I am in you, My whole life on earth was to live each one of your acts, your movements, each second of your earthly life was lived first by Me, to divinize your acts and re-do what was lost in Eden, to reestablish the Kingdom of the Divine Will. Now, if I lived your acts, divinized your acts in Me, can you understand how we are one? How I am in you? Can you understand how I feel each and every one of your pains, your heartbreaks, and your disappointments? On the cross I suffered each and every one of your pains, repaired each and every one of your sins because I love you more than you will ever comprehend. You, who would deny me, please sit in silence children and you will hear My voice, you will hear me, feel me. You will not escape Me, no matter how much you try. I created you; I weaned you, walked and played with you. You cannot escape this reality which has been written on each one your hearts from all eternity. See Me, children, I am manifested all around you in nature. In Me is all eternity, and when you pass from time to eternity, you will either pass with Me, or choose to be separated from Me. You do not know when I will give you your last breath. If you deny Me you will suffer the pains of the loss of Me forever. Or you will choose to live in total ecstasy of My love, consumed in Me. I am heaven. Which will it be, the choice is yours. For all my children not in a state of grace, please sit in silence and listen, call on Me and repent, I will never deny a repentant heart. I am Jesus your Savior who came to earth incarnate in the Blessed Virgin to bring this generation back to the beginning, back to My Father's original plan where creature and God were one. Do not waste another moment, I beg you sit and listen...I am there within you....

Jesus Your Savior.

***Inspired Prayer Written Pentecost Sunday 2014, By A Daughter of the Divine Will***

**"Fusing the activities of the Sons & Daughters of the Lamb into the Life of the Divine Will"**

My Jesus, I come before you fused in Your Most Holy Will, in complete abandonment as a perpetual intention to fuse all the acts of the Sons and Daughters of the Lamb in the Divine Will. We want to bind all their acts from Adam to the last person that will be born into existence, knowing that within Your Most Holy Will all is one Act, Past, Present and Future, in the center of all eternity, where all is one single point within You. May every breath, heartbeat, word, and movement of all the Sons and Daughters of the Lamb be offered as a divine act to glorify You My Jesus.

I continue to enter into every choir of the holy angels and then proceeding through each angel, fusing each member into the activity of each choir and each angel. Oh Holy Angels, please take each act of these children to the Almighty Throne and offer as a Divine Act in the Divine Will.

I then want to enter and place myself into each day of creation, all the acts of all the prophets, Major and Minor, Your Incarnation, Your hidden life, three years of ministry, Passion, Death, Resurrection and Ascension. Fusing all the Sons and Daughters of the Lamb into every act of Your very Life Most Heavenly Savior, and obtaining the graces for Living Your Life in the Divine Will which You anxiously await to give as their inheritance.

Next, I want to enter into each of the Seven Sorrows of Our Blessed Mother. The Prophecy of Simeon, the Flight into Egypt, Losing Jesus for 3 days, Meeting Jesus on the way to Calvary, His Crucifixion, Taking Him down from the cross, and His burial. Fusing all the Sons and Daughters of the Lamb into the Sorrowful Acts of the Heavenly Queen, to love and console Her and obtain all the merits She desires to deposit into Her children. Please, Oh Most Holy Queen and Mamma, plant the seeds of the Divine Will into the Sons and Daughters of the Lamb.

And moving my soul deeper into Your Most Holy Volition, I want to fuse the Sons and Daughters of the Lamb into the very Act of the Conception of the Blessed Virgin Mary, Her birth, Her 3 years of life with Saints Ann and Joachim, Her Life in the Temple, Her life with Saint Joseph, the Incarnation, Birth, and Presentation of Our Lord, continuing through Her life after the Death of Her Son, through each and every act of life with the Newborn Church, to Her very holy death, Assumption, Crowning in Heaven. Fusing all the Sons and Daughters of the Lamb into these acts of Her life that they may obtain all Her merits, which She anxiously awaits to give.

We want to thank Jesus for the gift of Luisa, that He re-established His Kingdom within her and all those who will come into the Kingdom because of Luisa's "yes", her sufferings and sacrifices for us. I thank you Father, love you Father with your very own Love, I want to send back to you these very waves of Love from Holy Mamma, the Saints, Angels, all the love you put into creation, with your very own love, I want to Fuse the Sons and Daughters of the Lamb into the Eternal Will of God which encompasses everyone and everything!
